

Svenska Cricketförbundet

Invitation to Utvecklingsträff 2017 for your cricket club

Come along and be part of the journey towards #svenskricket 2025 - with the members in focus!

Swedish Cricket has grown dramatically over the past five years and now it's time to take the next step, so we therefore welcome your club to Utvecklingsstäff 2017. Come and hear what's going on within Swedish Cricket, be part and get involved and get the chance to develop your club for the future. What we discuss will be documented and becomes valuable basis for our continued work. During the fall, we gather all cricket clubs in seven different locations around the country to develop our activities towards an even stronger and even more successful organization. For our current and future members!

When and where

The seven meetings will take place from late October to mid December, for 3 hours on weekdays. You sign up for one of the occasions. In short, dates and places will be determined.

This evening is for you and for cricket of the future!

This evening is for your cricket club where you will learn more about Swedish sport, talk about how your club works today, identify what you would like to do to develop your club and you will come get tools for how to continue work at home. You will also hear what SCF plans for and what support SCF and the SISU district may be in your work. We will also discuss the district issue and talk more about what strategy 2025 means for cricket. On-site, your SISU district will join and lead the process. The office at SCF will also join and listen to what support you want from them and what we together need to work on to develop Swedish Cricket.

Don't come alone and please form a focus group

In order for your club to get the best out of the development effort, it's good to come at least 3, but preferably up to 5 people. Also consider what roles you have. In order for you to get the best conversation, it's good if people have different roles in the club. Coach, board member, parent, youth, etc. With 5 people with different roles, you get a wide range of experiences and skills that will make you take your work further. Read more about focus groups in the blue box below (in Swedish).

Registration

In short, we will open for registration.

Language

We will adapt which language we speak during the evenings (English or Swedish) so that as many as possible can participate in presentations and dialogues. When register, you will choose which language you prefer so we can customize the evening even more.

Contact

Contact Ulrika Lingslunde, ulrika.lingslunde@cricket.rf.se eller 0739-899 162 if you have any questions.

Fokusgrupper är ett forum där olika typer av medlemmar får träffas och diskutera vad som är viktigt i den egna föreningen. Gruppen ska med fördel bestå av medlemmar med olika funktioner som aktiva, ledare, förtroendevalda och övriga engagerade. Sträva mot mångfald: olika åldrar, kön, osv. Målet är att se och arbeta med föreningen som en helhet där de olika typerna av medlemmar, olika åldersgrupper och de olika sektionerna arbetar mot ett gemensamt och övergripande mål. Samtal i fokusgrupper har visat sig ge ett mervärde då deltagarna får möjlighet att samtala fritt om vad de tycker är viktigt och ytterligare ett mervärde är att man i styrelsen får in "nytt blod" när man träffats i nya konstellationer. Fokusgrupper ger på detta vis bekräftelse, ny energi att utveckla vidare – tillsammans - och kan ses som ett startskott mot något nytt som också blir ett naturligt sätt att mötas och skapa framgång för föreningen.
