Attn: Svenska Cricketförbundet Board

On behalf of the ICC I would like to congratulate the Swedish Cricket Federation for your continued growth in 2017. The ICC has seen substantial development on all performance metrics, a true testament to the work of the current board, staff, clubs and volunteers. Thank you.

I would like to personally thank Shahzeb for his tremendous work whilst Chairperson over the past 3 years and his clarity and commitment to strategy. Equally a huge thank you to Ulrika for her wonderful contribution since joining the cricket family.

In recognition of this success and the huge potential in Sweden the ICC has announced that the Swedish Cricket Federation has become one of the eight Accelerated Growth Countries in Europe. This status emphasises the growing stature of the game in Sweden. The ICC are looking forward to further developing this partnership with the Swedish Cricket Federation in 2018.

The Swedish Cricket Federation has achieved a higher status on the ICC Scorecard (funding distribution). This presents a unique opportunity and responsibility for the organisation to think and invest very strategically. The ICC have been very impressed thus far with the Swedish Cricket Federation's commitment to sustainable projects, healthy clubs, widening the participant base and pathways to HP teams.

The ICC are delighted to be invited to the AGM in Stockholm on the 25th March and I look forward to meeting you all there.

Yours sincerely
Ed
