Following were present:

1. Shahzeb Choudhry
2. Tariq Zuwak
3. Javed Ahmed
4. Marcus Hellqvist
5. Zalmday Daftani (on phone call)

Following agenda points were discussed

1. Karlskrona ground issue
2. SCF accounts handling

Following decisions were made,

1. It was decided that Ulrika will arrange a meeting with Karlskrona kommun to discuss about issue and will try to convince kommun to help clubs in ground bookings in other cities (Älmhult/Växjö) or financial help to meet traveling costs for both local clubs. It was also decided that SCF through office will create pressure on kommun to provide ground at any other place in kommun. It was decided that if kommun will not be ready to help in any way then we will have another meeting to find another solution to help members.
2. It was decided that Shahzeb Choudhry, Tariq Zuwak and Ulrika Lingslunde will have full access to the SCF account(s) and all payments over 10 K will be made with two signs while all payments above 50 K will require all three signs. It was also decided that we will start with these limits (10K & 50K) however if board will think that its difficult to implement or creating problems then these limits can be increased in coming board meetings.
3. It was decided that these changes will be made with immediate effect.
